Region 9 Director's Message

I have just returned from the August AHA Board of Directors meeting and need to let you know that some discrepancies have recently found in the way monies to AHA were being handled. (By the time you read this letter you would have already received an email from AHA President, Lance Walters, regarding this matter.)

First please know that there are no missing funds, but money was being co-mingled, mis-categorized and not being transferred to proper accounts as it should have been by accounting. The largest sum that was mishandled was \$750K that should have been transferred out of the General Fund to the Breeder Sweepstakes Trust Fund and was not. Since the money had been left in the General Fund it was used for AHA operating expenses. The Sweepstakes Fund is not in jeopardy at this time and all Sweepstakes payouts are secure. To correct this situation the Board will do a promissory note and pay the money to the Sweepstakes Trust Fund at a rate of \$20K per month plus 5% interest over a 37 month period.

The other accounts which had been used in an incorrect manner will also be addressed and made whole as quickly as possible. Per AHA President's letter of August 11th, we have enough "cash and cash investments to cover current budgeted obligations and prize money programs. Based on our current estimate of revenue, our current obligations are covered in the budget." AHA will continue reviewing the financials and making the accounting processes more efficient and correct. Further discussion about this can be held at the next Region 9 meeting on September 19, 2009 if desired.

On another note, the September 19 meeting will also include a discussion on the possibility of allowing qualifications for any Regional show to be acquired in any Region. I have included the preliminary proposal regarding this elsewhere in this newsletter for you to look over.

Also, don't forget the AHA Volunteer Service Award Program deadline for the Club Level Award nomination, due to AHA, is September 15th and the National Level Award nomination, due to AHA, is October 15th. The Regional Level Award nominations were due to the Regional Director by August 31st. The program and nomination information at be found at the AHA website: www.ArabianHorses.org.

Convention is November 18-22 and is being held at the Silver Legacy Resort Casino in Reno, Nevada. The Region 9 Meeting will be held November 19 at 7:00 PM.

Don't forget that you can register your unregistered Arabians, Half-Arabians and Anglo-Arabians at a discounted rate for horses two years of age and older from now through December 31, 2009. Members with purebred Arabians will pay only \$250 per horse and members with Half-Arabian or Anglo-Arabians will pay only \$75.

The next region meeting will be September 19 at 1:00 PM at Venture Farms in Pilot Point, TX. We are again holding our meeting in conjunction with the North Texas Arabian Horse Club's Blue Jean Ball which will take place that evening. Come on out and join us!

Thank you,

Pat Barton, Region 9 AHA Director

Region 9 Championship Show Recap

By Kristen Fisher, Co-Show Manager

Thanks to all our exhibitors, volunteers, and staff for helping make the 2009 Region 9 Championship Show a success! The show hosted 608 horses this year, which was up 20 horses from 2008. Many Class A and Regional Championship shows have seen a decline in numbers recently, so we were thrilled that you chose to show your horses at Region 9. We wish all our exhibitors good luck as they move on to national competitions this summer/fall.

Our thanks go out to our many Patrons this year who help support the show in so many ways. We also thank all of our Box Seat Holders – we were able to support Cook Children's with a contribution of \$3,600 this year. Financial details from the show will be presented at the

September 19 meeting.

The Region 9 Show is YOUR show – so the Executive Show Committee [ESC] wants to be sure we are doing as much as we can to meet the needs of our exhibitors. Therefore, the ESC is developing a process through which changes or additions to the Region 9 class schedule can be requested. Please be sure to watch the e-blasts and the December 2009 Hand Gallop for more information on that process. We look forward to your suggestions!

Be sure to mark June 8-12, 2010 on your calendar for next year's Region 9 Championship Show, and stay tuned for updates on the show throughout the year. If you have any questions, please contact me at region9show@earthlink.net or 940-498-4292. 

Region 9 Sport Horse Championship Show

By Bill Eash, Show Manager

We had a very good Championship show in Waco last month. I want to thank all the exhibitors, staff, advertisers, sponsors and volunteers that came out and supported the show. Our numbers were down about 10% this year but the enthusiasm was very high. The weather was typical July Texas weather, a bit on the warm side but we had our BA Fans to keep us cool. Since we had fewer dressage rides we had some short days of showing which gave folks some time for relaxation and recreation. We had another very successful silent auction raising more than \$1,000 for the show.

Some of our exhibitors have asked the committee to

reinstate the Hunter Hack classes at the Regional Show so our committee has asked the exhibitors to sponsor the classes they wish to re-instate with sponsorship money. Karen Campbell is spearheading a group to raise some funds which will guarantee the success of those classes. We will want all the class A shows in the Region to consider offering the qualifying classes as well.

The Region is also offering the Region 9 Patrons an opportunity to further their exposure within the region by having their banner (used at Will Rogers) also hanging at the SH Regionals in Waco. Dr. Karlan Downing has offered to manage this concern and will be contacting all of the Patrons.

2009 Region 9 Stallion Service Futurity Winners

Region 9 would like to thank all the stallion owners who donated the stallion services and all the buyers who purchased the breeding services that have made it possible for the Region to make a donation to the Youth Foundation Region 9, Inc. scholarship fund

Regional show within the same Region. With the economy the way it is, and the point of the rule was to insure someone did not go from Region to Region to win sweepstakes money without participating in Region no longer pertinent,

We would propose that you allow qualifications for any Regional show to be acquired in any Region. This allows exhibitors to save money, participate in their home region, yet qualify for other regions.

Example: Someone can stay in Region 9 to qualify for all other Regional shows. This helps his home Region and his client's expenses so they can attend more shows. Region 12 likes to come to Region 14 but it is too far to come and qualify. It will not hurt the Class A shows in Region 14 because exhibitors in Region 14 are doing same thing by staying home in Region 14 to qualify for Region 12 and/or 13 and 11. Same happens in Region 16.

In order to qualify for another Region in a different Region you must:

1. Designate at beginning of each show what Region you want your points designated to. If you don't, they go

towards home Region. This is done by horse.

2. You CANNOT split points or shows between different Regions. NO you cannot earn 20 points at the Buckeye and split 10 points Region 12 and 10 points Region 14.

We propose a triplicate form; this form is signed by Show Secretary that says what Region the horse has designated the qualifications for. 1 show secretary, 1 exhibitor, 1 AHA. Show Secretary will forward her copy of form to appropriate Regional secretaries for verification. AHA would hold their copies in a per show file to verify qualifications if needed or questioned.

This proposal gives owners, trainers the ability to choose what shows they want to attend. It allows people to get qualified for a Regional when it works for their schedule. This helps with work/school schedules/etc. It can allow trainers to get multiple horses/amateurs/juniors for a Region out of their area. It will allow owners and trainers greater exposure in which to sell horses. We all know how hard it is to sell in our own Region.

Region 9 Endurance and Competitive Trail Update

By Carla Jo Bass, Region 9 Distance Riding Chair

REMINDER: The AHA National Endurance and Competitive Trail Championships Rides will be held in Oklahoma in conjunction with US Nationals!! The 1st Annual "U.S. National Distance Championship" will be October 27-31, 2009 at Lake Carl Blackwell in Stillwater, OK. Check www.arabianhorses.org/competitions/nationalevents/natdist/distance.asp for entry forms and details.

The 2009 Region 9 Competitive Trail Championship Ride will be held October 3-4, 2009 at the LBJ Grasslands in Decatur, TX. To qualify for the regional ride, you must have 50 miles of open CTR. That can be achieved in one open ride. If you're just starting out, you can ride the fall rides in novice/CP and the beginning spring rides then, do an open division ride sometime in the spring to qualify for the fall 2010 championship ride. There are several rides this fall to start you qualifying for the 2010 championship:

- Sept 19-20 - Robbers Route CTR, Wilburton, OK
 - Oct 3-4 - Region 4 Benefit/ Region 9 Championship, Decatur, TX
 - Oct 24-25 - Horsemasters Benefit, Big Sandy, TX
 - Nov 7-8 - Last Chance at the OK Corral, Stillwater, OK
 - Dec 5-6 - Christmas at Parrie Haynes, Killeen, TX
- Come ride with us. We will be more than happy to help

you learn the sport of competitive trail riding.

The 2010 Region 9 Championship Endurance Ride will be hosted along with the Texas Bluebonnet Classic again on April 24, 2010. This ride is dual sanctioned with AERC and will host 25, 50 and 100 miles of competition. We are in the process of application for FEI sanction which will help our Region 9 members trying to compete in the 2010 World Equestrian Games in Lexington, KY to get qualified. We will know by November if we are approved for this sanction also. The weekend will be extremely busy. If you have an interest in volunteering to help, please feel free to contact me. The 100 mile riders hit the trail at 5:30 am on Saturday morning and have until 5:30 Sunday morning to complete. Therefore, we need a few volunteers for night duty in addition to the day volunteers. Volunteers needed are vet scribes, pulse checkers, finish line timers, arrival timers. We can teach you any of the above on ride day. In order to qualify for the Region 9 Championship, you must have completed at least one 50 mile endurance ride so, start now riding in the 25's to leg yourself and your horse up to try a 50 in the spring. Ride dates are located on the AERC website www.aerc.org and click on the ride calendar for the Central Region. Come ride, the AERC motto is: To Finish is to Win

Youth Foundation Scholarship Recipients

By *Bob Barton*

At the 2009 Region 9 Championship Show 3 deserving young ladies were presented to the region as the recipients of \$24,400 in scholarships from the Youth Foundation, AHA Region 9, Inc. While only two of the three were actually in center ring [one was ill] they all need to be recognized by the entire region.

Annalise Himmel has served as the Region 9 Youth Secretary, Treasurer and for 2 years as the Region 9 Youth Director. While logging in over 100 hours of community service she also served as the Vice President as well as the President of AHYA! Annalise receives a \$10,000 scholarship to help her pursue a degree in Physical Therapy at Nichols State University in Louisiana.

Erin Springer graduated from Siloam Springs High School in Arkansas. While maintaining her grades she served as Vice President and President of the Arabian

Riders and Breeders of Northwest Arkansas Youth Group. She has been active in FFA in her high school and helped to win numerous awards with their Horse Judging team. Erin receives a \$7,200 scholarship to attend William Woods University in Missouri and major in Equine Science and Equine Administration.

Caitlin Malik maintained a 4.0 GPA from Ponchatoula High School in Louisiana and will receive a \$7,200 scholarship for her education. Her determination to succeed shows through her training and showing her horses in Class A, Regional and National shows, serving as Captain of her Varsity Soccer team and volunteering at Hew Heights Therapeutic Riding Center during summer breaks. Her goal is to become a Veterinarian and will begin her collegiate career at Louisiana State University.

Congratulations to all three of these very deserving young ladies and we wish them all the best of luck as they embark on the next phase of their exciting lives!

Region 9 Lifetime Achievement Award Winner – Ginny Nokes

By *Russ Taylor*

Region 9 would like to congratulate Ginny Nokes as a winner of the Region 9 Lifetime Achievement Award. Ginny Nokes is 84 years old, and still rides every day. Many people may think her ability to still take horses in training at age 84 is remarkable, but those who have known her for a long time, know that what is really remarkable about Ginny is how she got herself to this point, and the talent, dedication and love that have seen her through to this point.

Ginny was born in Kansas and had horses in her life as long as she can remember. She initially showed Saddlebreds but in 1959 on a trip to Scottsdale she fell in love with a young colt from the McCormick Ranch and convinced the owner to sell him. His name was Rickey - he was by the Crabbet Stallion, Sun Royal, out of the imported Polish mare, Wierka. In the early 1960s, Ginny married Ron Nokes, a career officer in the United States Air Force. From that point on, for about ten years, Ginny and Rickey became traveling ambassadors for the Arabian horse, moving from post to post as Ron advanced in his career.

In the early 1970s, they bought a small farm just outside Seguin, TX, and planned to make that their permanent home. They acquired some mares to breed to Rickey, and built up a clientele. It also gave Ginny the opportunity to start sharing the knowledge and ability she had spent a lifetime acquiring, by taking outside horses in training, and teaching young people what she knew on an ongoing basis, rather than as the intermittent clinics she had been doing as they moved around

the country.

Ginny has had a full training stable ever since. She was a founding member of the Alamo Arabian Horse Association, served as show manager for the San Antonio Fiesta Show for many years, and has been an enthusiastic supporter of adding Dressage and Sport Horse classes to Arabian shows.

Ginny's lifetime has been spent working with horses and people from across the spectrum. Her credo has always been that her job is to help her riders and their horse reach their maximum potential, and she has found a way to get great satisfaction from that. She has never turned down people because their horse wasn't of high caliber, or because their funds were limited. She understands that these horses give great joy to a lot of people, and sees her job as helping people enjoy their horses as much as they possibly can.

Black Stallion Literacy Foundation Update

By Laura & Gene Graves

An ambitious goal of sharing with children in Mississippi and Louisiana the joy of reading through the magic of horses this fall is under way, and invitations were sent to school administrators earlier this summer.

Fantastic volunteers Karen McCord and Bonny Barry are putting these hooves in motion and your support is needed. The plan is to have a Luncheon in MS, and an Ice Cream Social in LA for school administrators to introduce them to the program and to encourage enrollment. Door prizes will be awarded and Tim Farley will attend the luncheon in MS.

The program will begin with books being sent to the

schools in September and the Arabian Nights show will be performed for fifth graders in MS on Sep 22 & 23. The show will then travel to LA for shows on Sep 24 and 25. On the evening of the 25th there will be a 'Dinner in the Dirt' fund raiser where performers will perform among the tables of white table cloths and guest will enjoy an entertaining night with horses, all for a great cause, literacy. Children will benefit by having books to keep forever and the inspiration to succeed, an opportunity that is not currently available, but can happen with your help.

Please feel free to contact either Karen McCord in MS, Bonny Barry in LA, Trish in AR, or us and be a part of one of the most gratifying experiences ever.
